

Experience Latin with Fr. Reginald Foster

While in Rome taking Latin from Fr. Reginald "Reggie" Foster - known as the "Pope's Latinist" - I am trying to capture a little bit of his "Experience" for learning Latin, and make it available online for others. Fr. Foster said I could do this, as long as he not responsible and it is entirely unauthorized.

Instructions: With just a little memorization, Fr. Foster teaches you Latin from the dictionary. So find a good Latin dictionary (see links below), and you are ready to learn. [Note: Cassell's (big or small) is a good dictionary.]

This is the Whole First and Third Experience as PDF files

[Enter the Third Experience](#)
(level 2)

Why is there no *Second Experience*?
Second experience is "Conversational Latin", and thus can't be captured like Fr. Foster's other classes.

Salve optime Fosteri!

probably the only bank machine in the world written
in Latin.

The answers to the homeworks are not posted,
because one must do all the homeworks in their
entirety in order to learn
